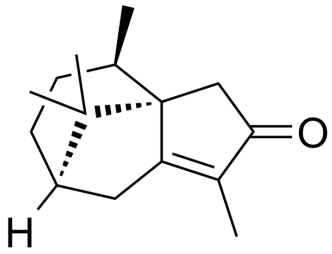
Cyperotundone

Cat. No.:	HY-N3004
CAS No.:	3466-15-7
Molecular Formula:	$C_{15}H_{22}O$
Molecular Weight:	218.33
Target:	Others
Pathway:	Others
Storage:	-20°C, protect from light * In solvent : -80°C, 6 months; -20°C, 1 month (protect from light)



BIOLOGICAL ACTIVITY

Description	Cyperotundone is a sesquiterpene isolated from Nagarmotha (Cyperus rotundus)[1][2].
