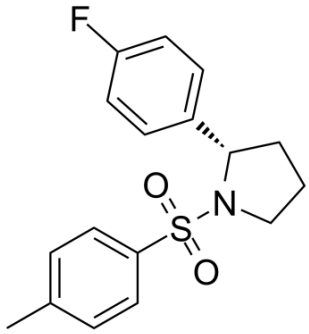
Ro 67-7476

Cat. No.:	HY-100403
CAS No.:	298690-60-5
Molecular Formula:	$C_{17}H_{18}FNO_2S$
Molecular Weight:	319.39
Target:	mGluR
Pathway:	GPCR/G Protein; Neuronal Signaling
Storage:	Powder -20°C 3 years 4°C 2 years In solvent -80°C 6 months -20°C 1 month



SOLVENT & SOLUBILITY

In Vitro

DMSO : ≥ 40 mg/mL (125.24 mM)

* "≥" means soluble, but saturation unknown.

Preparing Stock Solutions	Solvent / Mass / Concentration	1 mg	5 mg	10 mg
	1 mM	3.1310 mL	15.6548 mL	31.3097 mL
	5 mM	0.6262 mL	3.1310 mL	6.2619 mL
	10 mM	0.3131 mL	1.5655 mL	3.1310 mL

Please refer to the solubility information to select the appropriate solvent.

In Vivo

1. Add each solvent one by one: **10% DMSO >> 90% (20% SBE-β-CD in saline)**
   Solubility: ≥ 2.5 mg/mL (7.83 mM); Clear solution
2. Add each solvent one by one: **10% DMSO >> 90% corn oil**
   Solubility: ≥ 2.5 mg/mL (7.83 mM); Clear solution

BIOLOGICAL ACTIVITY

Description

Ro 67-7476 is a potent positive allosteric modulator of **$mGluR_1$** and potentiates glutamate-induced calcium release in HEK293 cells expressing rat mGluR1a with an **EC_{50}** of 60.1 nM[1][2]. Ro 67-7476 is a potent P-ERK1/2 agonist and activates ERK1/2 phosphorylation in the absence of exogenously added glutamate (**EC_{50}**=163.3 nM)[3].

IC_{50} & Target

mGluR1a
60.1 nM (EC50)

In Vitro

In the Purkinje cells of rat cerebellar slices, Ro 67-7476 increases the amplitude of mGluR1 excitatory postsynaptic

potentials (EPSCs) evoked by 2,3-dihydroxy-6-nitro-7-sulfamoylbenzoquionxaline, picrotoxin, or AP5[3].
Ro 67-7476 activates ERK1/2 phosphorylation in the absence of exogenously added glutamate (EC_{50}=163.3 nM). The EC50 value of full P-ERK1/2 activation for Ro 67-7476 are nearly identical to the EC_{50} for calcium mobilization potentiation[3].
Ro 67-7476 increases basal cAMP production approximately by 8%. It potentiated threshold responses to glutamate in the cAMP accumulation assay, with an EC_{50} value of 17.7 μM[3].
MCE has not independently confirmed the accuracy of these methods. They are for reference only.
