

## Glutathione, Reductase baker's yeast

Cat. No.:	HY-125862		
CAS No.:	9001-48-3		
Target:	Calcineurin		
Pathway:	Neuronal Signaling		
Storage:	Pure form	-20°C	3 years
	In solvent	-80°C	6 months
		-20°C	1 month

Glutathione, Reductase baker's yeast

### BIOLOGICAL ACTIVITY

Description	Glutathione reductase (EC 1.6.4.2) (EC 1.6.4.2) is a reductase responsible for maintaining the supply of reduced glutathione [1].
