

Lectin from *Helix pomatia*, biotin conjugate

Cat. No.:	HY-158253	
Target:	Others	
Pathway:	Others	
Storage:	Please store the product under the recommended conditions in the Certificate of Analysis.	Lectin from <i>Helix pomatia</i> , biotin conjugate

BIOLOGICAL ACTIVITY

Description

Helix pomatia lectin, biotin conjugate, is a carbohydrate-binding protein that is widely found in fungi, plants, and animals. *Helix pomatia* lectin, biotin conjugate is commonly used for characterizing, imaging, or targeting glycoconjugates, and is also a very useful tool for glycomics analysis^[1].
