

## **Product** Data Sheet

# Taq DNA polymerase

Cat. No.: HY-E70086 CAS No.: 2304873-37-6

Target: DNA/RNA Synthesis

Pathway: Cell Cycle/DNA Damage

Please store the product under the recommended conditions in the Certificate of Storage:

Analysis.

Taq DNA polymerase

### **BIOLOGICAL ACTIVITY**

Description

Taq DNA polymerase is a thermostable DNA polymerase that can be used in  $PCR^{[1]}$ .
