

## Orfamide B

---

|                           |                                                                                           |
|---------------------------|-------------------------------------------------------------------------------------------|
| <b>Cat. No.:</b>          | HY-P2009                                                                                  |
| <b>CAS No.:</b>           | 939960-35-7                                                                               |
| <b>Molecular Formula:</b> | C <sub>63</sub> H <sub>112</sub> N <sub>10</sub> O <sub>17</sub>                          |
| <b>Molecular Weight:</b>  | 1281.62                                                                                   |
| <b>Target:</b>            | Biochemical Assay Reagents                                                                |
| <b>Pathway:</b>           | Others                                                                                    |
| <b>Storage:</b>           | Please store the product under the recommended conditions in the Certificate of Analysis. |

### BIOLOGICAL ACTIVITY

#### Description

Orfamide B is a biochemical reagent that can be used as a biological material or organic compound for life science related research.

**Caution: Product has not been fully validated for medical applications. For research use only.**
