

Amyloglucosidase, Aspergillus niger

Cat. No.:	HY-P2857	
CAS No.:	9032-08-0	
Target:	Others	
Pathway:	Others	Amyloglucosidase, Aspergillus niger
Storage:	Please store the product under the recommended conditions in the Certificate of Analysis.	

BIOLOGICAL ACTIVITY

Description

Amyloglucosidase, Aspergillus niger is an enzyme derived from many sources including plants, animals and microorganisms, can be use for industrial production. Amyloglucosidase can be widely used for starch saccharification, brewing and distilling industry^[1].
