

## SATB1 Antibody (YA1154)

|                 |                                   |
|-----------------|-----------------------------------|
| Cat. No.:       | HY-P81409                         |
| Host:           | Rabbit                            |
| Reactivity:     | Human                             |
| Conjugation:    | Non-conjugated                    |
| SwissProt ID:   | Q01826                            |
| Research Field: | Epigenetics and Nuclear Signaling |

### PROPERTIES

|                              |   |                |
|------------------------------|---|----------------|
| Formulation                  | Supplied in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide, pH 7.162. |                |
| Purity                       | Affinity Purified   |                |
| Storage & Stability          | Stored at -20°C for 1 year. Avoid repeated freeze / thaw cycles.                    |                |
| Appearance                   | Liquid  |                |
| Application & Dilution Ratio | Application   | Dilution Ratio |
|                              | IHC   | 1/100-1/200    |
| Shipping                     | Shipping with blue ice.   |                |

**Caution: Product has not been fully validated for medical applications. For research use only.**
