

## DGKA Antibody (YA2861)

|                   |                                                         |
|-------------------|---------------------------------------------------------|
| Cat. No.:         | HY-P83116                                               |
| Host:             | Rabbit                                                  |
| Reactivity:       | Human                                                   |
| Conjugation:      | Non-conjugated                                          |
| SwissProt ID:     | P23743                                                  |
| Research Field:   | Signal Transduction                                     |
| Molecular Weight: | Predicted band size: 83 kDa; Observed band size: 83 kDa |

### PROPERTIES

|                              |                                                                                                   |                |
|------------------------------|---------------------------------------------------------------------------------------------------|----------------|
| Formulation                  | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA |                |
| Purity                       | Affinity Purified                                                                                 |                |
| Storage & Stability          | Stored at -20°C for 1 year. Avoid repeated freeze / thaw cycles.                                  |                |
| Appearance                   | Liquid                                                                                            |                |
| Application & Dilution Ratio | Application                                                                                       | Dilution Ratio |
