mmu-miR-694 agomir

MedChemExpress

Cat. No.:	HY-R03604A
Molecular Weight:	13188.2
Target:	MicroRNA
Pathway:	Epigenetics
Storage:	Please store the product under the recommended conditions in the Certificate of Analysis.

BIOLOGICAL ACTIV	ТҮ																		
		ľ																	
Description	mmu-	n	niR-694	niR-694 agomirs	niR-694 agomirs are che	niR-694 agomirs are chemically	niR-694 agomirs are chemically-modifie	niR-694 agomirs are chemically-modified doub	niR-694 agomirs are chemically-modified double-stra	niR-694 agomirs are chemically-modified double-strand mi	niR-694 agomirs are chemically-modified double-strand miRNA n	niR-694 agomirs are chemically-modified double-strand miRNA mimics	niR-694 agomirs are chemically-modified double-strand miRNA mimics with m	niR-694 agomirs are chemically-modified double-strand miRNA mimics with modified	niR-694 agomirs are chemically-modified double-strand miRNA mimics with modified matu	niR-694 agomirs are chemically-modified double-strand miRNA mimics with modified mature miR	niR-694 agomirs are chemically-modified double-strand miRNA mimics with modified mature miRNA stran	niR-694 agomirs are chemically-modified double-strand miRNA mimics with modified mature miRNA strand: 2	niR-694 agomirs are chemically-modified double-strand miRNA mimics with modified mature miRNA strand: 2
